

SUMMER ACTIVITIES LEAFLET 2023

Haddington Bridge Centre is delighted to present the summer programme of activities for the following age groups:

- Junior – new P4 – new P7
- P7 Transition – those going into S1 at Knox Academy
- Seniors

Following on from last year, we are continuing with themed weeks of food, music, science arts and finally a trip to East Links. Suggested donation is £3.00 per young person per activity and can be made on the day or via bank transfer.

Bookings for all activities (except the trip) will be via The Haddington Bridge Centre Eventbrite page:
<https://www.eventbrite.co.uk/o/haddington-bridge-centre-33756612713>

Spaces for the trip will be prioritised to those who regularly attend our youth clubs and those who attend the summer programme. A booking form will be distributed in due course.

In addition, our outreach youth workers will continue to be out and about on Friday and Saturday evenings during the summer holidays in the Haddington area.

Haddington Library will also be offering a Bookbug session on Monday 31st July at 11am, further details will be available shortly.

We have also teamed up with the Arts Service to bring a week of Music Tech for ages age 14+ – bookings for this are separate and can be made via this link:
<https://www.thebrunton.co.uk/calendar/2023-07-17>

The Summer Arts programme is now online and available for booking. You can also find more information on the council website - www.eastlothian.gov.uk/summer-arts

Make it a summer of fun with Summer Arts Activities for ages 3 to 18 programmed by Brunton Theatre Trust and East Lothian Council's Arts Service. These fun packed creative activities are run by experienced arts professionals during July and August, in venues across East Lothian; including Aberlady, Dunbar, **Haddington**, Musselburgh, North Berwick, Ormiston, Prestonpans, Pencaitland and Tranent.

Creative activities on offer include; multi-day dance, musical theatre & drama camps, African dance, singing, Build-A-Band events, Samba lessons, music technology and craft making. There will also be workshops by technology educators ComputerXplorers.

This is a programme with something for everyone to enjoy. There are a number of funded places available in most of the activities, across all areas of East Lothian. For any dance/drama referrals please contact arobinson@eastlothian.gov.uk and for any music/arts & craft referrals cmcmillan@eastlothian.gov.uk
